Dear Valued Golden Technologies' Dealer:

We were very proud to bring the Ultraleather® Brisa™ fabric to our industry at the Medtrade show in 2005. Since then, we have offered Brisa in 20 vibrant, luxurious colors that matched virtually any and every décor.

After a thorough evaluation of our Brisa fabric sales, we have decided to make some changes to the colors we will offer. These changes will allow us to focus production on the more popular colors, reducing lead times for your customers.

Effective October 1, the following Brisa fabrics will no longer be available:

Skyway	Celery
Heather	New Sand
Iguana	Ash
Mineral	Butterscotch
Sterling Blue	Golden

We will continue to offer Brisa in our 10 most popular colors:

Black Onyx*	Cream
Hollyhock*	Distressed Saddle
Coffee Bean*	Salsa
Buckskin*	Desert Clay
Night Navy*	Bark

*(*These fabrics have a 12 production day lead time)*

Regards,
