Featuring the ultimate in style and comfort. Available in all sizes, this luxury adjustable bed features independent foot and head operation controlled by a single, low voltage, whisper quiet electric motor. Enjoy our state-of-the-art dual motor WAVE motion massage system offering up to 3 different wave selections and infinite wave intensity adjustments. This adjustable bed offers more options, with more settings and the most positions all controlled with a new easy to operate hand control. More standard features include heavy-duty casters, backboard brackets, and wood trim skirting.

**HAND CONTROL    WIRELESS REMOTE UPGRADE**

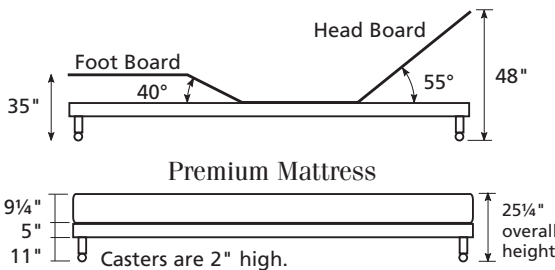

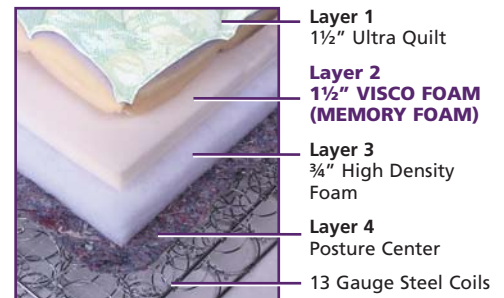

- Low voltage electric motor system
- Floating, dual motor pulsating massage system
- One master control wand for easy operation
- Available in extra long twin, full, queen, and dual king
- Made in the U.S.A.
- **INCLUDES BATTERY BACKUP**

## Solid Construction

Golden Technologies adjustable beds are manufactured at our factory in Old Forge, PA. Experienced technicians craft each adjustable bed by hand and our qualified quality control team inspects and approves each bed before shipping. Experience the difference with an adjustable bed from Golden Technologies.

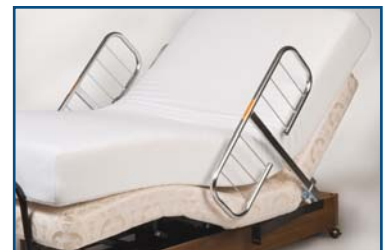

## Premium Mattress Construction/Selection

Our Premium, no-flip quilted mattress features 1½" Ultra Quilt topping with 1½" Visco foam, ¾" high density foam, posture center, edge guards, and a soft Ivory ticking.

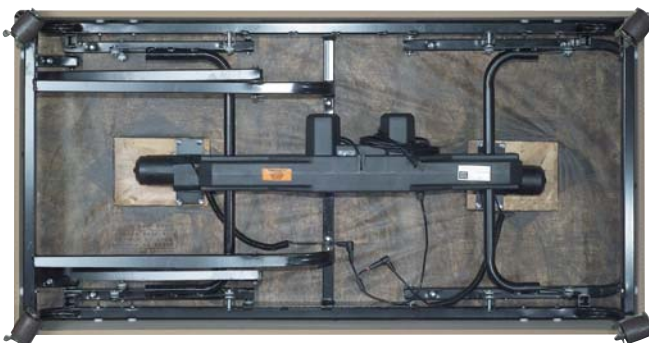

## Quality Engineering

Low voltage, quality motor system operates both the head and foot. Completely enclosed, single motor system design offering safe, durable operation. Dual motor massage system applied directly to the baseboard with a sound dampening application. Massage units are great for soothing the mind and body.

Shown with optional half rails.
