■ High Performance Fabric

Three characteristics combined to provide stain resistance, a liquid barrier, and antimicrobial protection.

■ Brisa™ Fabric

Breathable technology allows airflow to maintain a constant temperature. Plush and luxurious feel enhances comfort. Cleans effortlessly with soap and water.

■ Fabric Protectant

Select Golden fabrics come standard with a stain protectant included in the fabric. For the fabrics that do not come standard with stain protectant, Golden can apply that feature to the fabric of a lift chair before it is shipped from the factory. Consult your authorized Golden dealer or the Golden Customer Service Department for more information.

■ Articulating Headrest

Available only on models PR512, PR404 and PR632.

■ AutoFlex

Available only on model PR510-MLA.

*Straight lift option for PR501 Wide Series must be set at our factory prior to shipping for these models.
